H. Local Rules (revised 2-10-2020)

USGA rules shall govern play with the exception of the following Local Rules:

1. Out of Bounds is defined by white stakes and boundary fences.
2. Flowerbeds and landscape bark are played as “ground under repair”.
3. Immovable obstructions include irrigation equipment, drains, bridges protective fences and cart paths.
4. Exposed tree roots that encroach in the fairway: USGA Model Rule F-9
If a player’s ball is in the general area and there is interference from exposed tree roots that are in a part of the general area cut to fairway height or less or in the rough within two club-lengths of the edge of the ground cut to fairway height or less, the tree roots are treated as ground under repair. The player may take free relief under Rule 16.1b
5. Aeration Holes: USGA Mode Rule E-4
If a payer’s ball lies in or touches an aeration hole.
 - a) Ball in General Area: The player may take relief under Rule 16.1b. If the ball comes to rest in another aeration hole the player may take relief again under this local rule.
 - b) Ball on Putting Green: The player may take relief under Rule 16.1d
But interference does not exist if the aeration hole only interferes with the player’s stance or, on the putting green, on the player’s line of play.
6. Sprinkler Head Relief: Relief from interference by an immovable obstruction may be taken under Rule 24-2. In addition, if a ball lies through the green and an immovable obstruction on or within two club-lengths of the putting green and within two club-lengths of the ball intervenes on the line of play between the ball and the hole, the player may take relief as follows: The ball must be lifted and dropped at the

nearest point to where the ball lay that (a) is not nearer the hole, (b) avoids intervention and (c) is not in a hazard or on a putting green. If the player's ball lies on the putting green and an immovable obstruction within two club-lengths of the putting green intervenes on her line of putt, the player may take relief as follows: The ball must be lifted and placed at the nearest point to where the ball lay that (a) is not nearer the hole, (b) avoids intervention and (c) is not in a hazard. The ball may be cleaned when lifted. Exception: A player may not take relief under this Local Rule if interference by anything other than the immovable obstruction makes the stroke clearly impracticable.

7. Water Hazard: USGA Model Rule B-3 Provisional Ball for Ball in Penalty Area: If a player does not know whether his or her ball is in the penalty area, Water, the player may play a provisional ball under Rule 18.3, which is modified in this way. In playing the provision ball, the player may use the stroke-and-distance relief option (see Rule 17.1d (1), the back-on-the-line relief option (see Rule 17.1d (2) or, if it is a red penalty area, the lateral relief option (see Rule 17.d(3)). If a dropping zone (see Model Local Rule E-1) is available for this penalty area, the player may also use that relief option.

Once the player has played a provision ball under this Rule, he or she may not use any further options under Rule 17.1 in relation to the original ball.

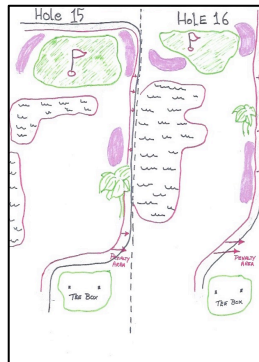

In deciding when the provisional ball becomes the player's ball in play or if it must or may be abandoned. Rule 18.3c(2) and 18.3c(3) apply except that:

- When Original Ball is Found in Penalty Area Within Three Minutes Search Time.
The player may choose either to:
 1. Continue to play the original ball as it lies in the penalty area, in which case the provisional ball must not be played. All strokes with that provisional ball before it was abandoned (including strokes made and any penalty strokes solely from playing that ball) do not count, or
 2. Continue to play the provisional ball in which case the original ball must not be played.
- When Original Ball is Not Found Within Three-Minutes Search Time or is Known or Virtually certain to be in Penalty Area. The provisional ball becomes the player's ball in play.

8. Alternative to Stroke and Distance: When your ball is lost or out of bounds. For two (2) penalty strokes estimate to where your original ball is or where it went out of bounds. Draw a straight line running from the hole through that estimated point. Next estimate the point on the nearest edge of the fairway which is the same distance from the hole. Imagine a straight line running from the hole thru that estimated point. From there take two club length onto the fairway. You can drop your ball anywhere between these points. (first point where your ball was lost or out of bounds) but not nearer the hole. If a provisional ball has been played this rule cannot be used. (added 1/7/19)

9. On Holes No. 15 & 16: Play the hole as marked with the addition of a Red Penalty Area established from and including the Cart Path (Left Edge of the Cart Path is the line of the Penalty Area which extends the entire length of the Path Tee to Green) and including the Fence. Option to Play:
- Play the ball as it lies,
 - Seek relief as established for all Red Penalty Areas, i.e. point of entry, 2 club lengths, 1 stroke penalty,
 - Replay the ball from previous spot., 1 stroke penalty

The red penalty area is NOT played as out of bounds. Please refer to drawings.
